**Personal Statement:** Residing in Para Hills for more than 30 years, I am passionate about the future vision for the community I want to continue to live in, work and retire in. I have been proud to represent Hills ward residents as an elected member and be actively involved in the community, with many groups as Patron, Volunteer, Committee or Board Member. I have delivered on easier removal of nuisance trees and the introduction of hard waste collection. I will work towards supplying Salisbury's recycled storm water to all residents, make streets safer by improving lighting and installing CCTV cameras at graffiti/hoon hotspots. I will continue to request a community bus and increase services for our elderly.
