Personal Statement:

As a working family, Kaye and I have raised our children and operated a successful business in Pooraka since 1968.

I have been involved with the School Council, Neighbourhood Watch and many other Community Groups and was elected to Salisbury Council in 1998.

During my time on Council I have served as Deputy Mayor and chaired Council Committees with particular interests in Roads, Waste Management, Community Facilities, Water Recycling and more.

Appointed to the Board of NAWMA, the organisation responsible for managing Kerbside Collected waste across the Northern Region, I am currently Chair of that organisation.

Deeply concerned about water, I'm passionate and committed to the further development of Salisbury's renowned Wetland and water recycling and reuse initiatives.

I believe my experience in Business, Environment, Community and in Local Government has equipped me with the skills to continue providing leadership to Salisbury as an experience member of Council.
