### Personal Statement:

Elected in 2000, married with 4 children. I have lived and worked in the local area for over 44 years. Over my 10 years as Councillor I have met and worked with incredibly dedicated people. My aim is to improve the standards of living in the North Ward to its full potential. Improvements in our services, economic growth, centred around industrial developments and job creation. Also looking after our aged and sporting clubs, continue to support hard waste collections, work on tree removals, traffic congestions and hoon driving on our roads.

I have represented the North Ward on Salisbury North Urban Development Committee, have been Chairman of Corporate Development, Executive Committee for Edinburgh Parks, Council Committees, Schools, charitable and corporate organisations.

As North Ward continues to grow and prosper I would be proud to represent the community and ensure the best for North Ward.
