

North-South Corridor

Northern Connector Project

Port River Expressway closures January 2019

The Port River Expressway will be closed to traffic in both directions between Hanson Road and the Salisbury Highway for two weekends in January 2019.

The closure of the Port River Expressway will occur, weather permitting from:

- 7pm Friday 11 January, to 5am Monday 14 January 2019, and
- 7pm Friday 18 January, to 5am Monday 21 January 2019.

Access will be maintained via 2 detours, refer to map. Signage and traffic management will be in place to advise motorists of changed conditions. Delays may be experienced, so please plan ahead.

These works are required to install the bridge beams and concrete bridge decks that will connect the South Road Superway to the Northern Connector, and the new South Road Superway on-ramp.

Additionally the South Road Superway on-ramp from the Port River Expressway will be permanently closed from 7pm Friday 11 January 2019.

Thank you for your patience while these important works are undertaken.
