

## Parking Offences - Penalties & Payments

Under the Expiation of Offences Act, tickets do not have to be attached to vehicles. Details of the offender may be taken and an expiation notice posted to them.

Legal proceeding may be instigated if payment is not received within 28 days. Council may however, accept late payment subject to the additional administrative and legal costs being included with the expiation fee.

Payments for parking offences may be made in person by visiting the City of Salisbury offices at 12 James Street, Salisbury, or at the Ingle Farm Recreation Centre, corner Beovich Road & Roopena Street, Ingle Farm.

Credit card payments may also be made online at [www.salisbury.sa.gov.au](http://www.salisbury.sa.gov.au) or by cash, cheque or money order made payable to the City of Salisbury.

## Further Information

For more information or any enquiries relating to parking regulations or offences in the City of Salisbury, please contact the Council's Inspectorate Services division on 8406 8355 or email [inspectorate@salisbury.sa.gov.au](mailto:inspectorate@salisbury.sa.gov.au)

Parking Regulations in Salisbury

*A Safe  
Community*

### 'No Stopping' Areas

These areas are designated by Council for the protection of pedestrians. Drivers stopping in restricted areas cause blind spots for motorists and

pedestrians. It is an offence to set down or pick up a passenger or goods in a 'no stopping' area, regardless of the timeframe.

### Parking for Longer than Indicated

A driver must not park continuously on a length of road, or in an area, to which a permissive parking sign applies for longer than the period indicated by information on or with the sign.

### 'No Parking' Areas

Drivers may only stop within a 'no parking' area if picking up or dropping off a passenger or goods. Vehicles must not be left unattended and must leave the area as soon as possible, or a maximum of two minutes.

### Parking Adverse

A driver must position the vehicle to face in the direction of travel in the marked lane or line of traffic while the car is stationary.

### Disabled Parking

Whether in car parks or along streets, disabled parking areas are designated for those with a disabled permit, where a valid permit must be displayed. Available from the Motor Registration Division of the Department for Transport, these permits are accepted throughout South Australia.

### Stopping on a Continuous Yellow Line

It is an offence to stop or park along any road marked with a continuous yellow line.

### Entrance Ways

A vehicle must not obstruct an entrance way or crossing point to a property, even if it is your own.

### Reserves & Footpaths

It is an offence to drive or park on a reserve, footpath or dividing strip as it could cause an accident, injure a pedestrian or damage property.

### Bike Lanes

Designated throughout the Council area to ensure cyclists safety, bike lanes may be operational at all times or signed with specific times of operation. It is an offence to park in a bike lane when they are in operation.

### Time Limits

Time limits apply to Council-owned car parks, some private car parks and streets and have been set to ensure parking is available for public use.

### Bus & Taxi Zones

Specific parking zones are designated for special service vehicles, such as buses and taxis and must be left available for the vehicles indicated.

### Loading Zones

Loading zones are specific parking areas designed for commercial vehicles, for the picking up or dropping off of goods. Note: station wagons or sedans are not classed as commercial vehicles.

### Fire Hydrants/Plugs

Obstruction of a fire hydrant or fire plug is an offence which may also apply to residents parking in front of their property where a fire hydrant or plug is located.

### Intersections

It is an offence to stop within 10 metres of an intersection or junction that is not controlled by traffic lights, as this causes obstruction to a driver's view (10 metres is measured from the edge of the gutter). It is an offence to stop within 20 metres of an intersection that is controlled by traffic lights.

### Parallel & Directional Parking

If a vehicle is not aligned as closely as practicable with the line of the kerb it is deemed to be not parallel parked. Stopping between a parked vehicle and the centre of the road to pick up or drop off a passenger is also an offence.

### Long Vehicle Owner/Drivers

It is an offence to leave any vehicle that exceeds 7.5 metres in length or 4.5 tonnes GVM in weight (including semi-trailers and trucks) parked on any roadway in Salisbury for longer than one hour. This regulation applies to all streets and roads within the City of Salisbury, including industrial areas.
