

CITY OF SALISBURY – CREATE-A-PLACE PROJECT

ARTIST BRIEF – TREGONING GREEN, SALISBURY PARK

The City of Salisbury would like to invite suitably qualified artists to submit their expression of interest for the design, fabrication and installation of an artwork on the Handball Wall at Tregoning Green, Salisbury Park. These works will become a part of the City of Salisbury's art trail and assist in beautifying our region.

The City of Salisbury is located in the northern Adelaide region only 25 km from the Adelaide Central Business District. The City of Salisbury has a population of 142,560 spanning over 31 suburbs, across 158 Km. Salisbury is a City that provides opportunity for our residents, businesses and visitors through investment in its future, by valuing the natural environments, providing a great lifestyle, encouraging and supporting a vibrant and innovative culture through art and community wellbeing.

Project Site

Tregoning Green – Handball Wall

Tregoning Green is a neighbourhood play space stretching the length of Carlingford Drive. Tregoning Green offers shady trees, grassed areas, a basketball ring and a handball court as well as a variety of play and fitness equipment. The intention is to have the artwork wrap around the handball Wall and spill onto the court surface.

Surface area

Handball Wall approx. 22.5 square mts

Court Surface approx. 36 square mts

Concept of Works

We are encouraging artists to be artistic and creative with an artwork that will wrap around the wall and spill down to the court surface. We would like the artist to also consider the ongoing maintenance of the artwork given the surface is intended as a rebound wall. Above is a photo of the intended space to be painted.

We want to see original designs capturing colour and vibrancy, that would appeal to a wide audience and would encourage gender neutral designs and colours.

Practical Considerations

The artist must exercise a duty of care in the concept design and consider the management of risk and public safety. The artworks should be produced from durable materials, require minimal maintenance and will be appropriate in scale.

Artists will need to envisage how people of all ages, cultural backgrounds and abilities will interact with the artwork.

Artists will also need to ensure all elements:

- Are safe for the general public;
- Is durable, robust, resilient and painted with appropriate high quality materials;
- Be easily cleaned to remove dirt and general grime;
- Be resistant to graffiti or treated with anti-graffiti coating; and
- Meet all relevant safety standards, City of Salisbury Work Health and Safety clauses as per the Terms and Conditions.

The public artwork is limited by the nature of the location hence is open to the possibility of vandalism and desecration.

Copyright

The copyright for the design will remain at all times with the artist. The completed artwork and will become an asset within the City of Salisbury and will be added to the Councils Register.

Budget

An amount of \$500 will be paid to the selected artist upon approval of the concept. This will be included in the total commission of \$4,000 (ex GST).

Acknowledgement by the City of Salisbury

The City of Salisbury will acknowledge the artist and artwork in a manner fitting to site. The artist of the work will be acknowledged in any publicity or promotion materials regarding the project.
