Waste Collection in Salisbury

The City of Salisbury, through the Northern Adelaide Waste Management Authority (NAWMA), empties your kerbside bins as part of your rates. All general waste, recycling and food and garden organics must be put in the correct kerbside bin for collection.

There are three different types of kerbside bins you can use:

1. The red-lid bin is for general household waste and is emptied by NAWMA once a week.
2. The yellow-lid bin is for recycling including plastic bottles, cans, paper, glass jars and bottles, cartons and cardboard. These items are recyclable, which means that they are collected, sorted and re-used to make other things. This bin is emptied by NAWMA every two weeks.
3. The green-lid bin is for food and organic waste, including food scraps, pizza boxes, tissues and paper towel, shredded paper, pet waste and garden waste. This bin is emptied by NAWMA every two weeks on the alternate week to the yellow lid bin.

To obtain a green-lid bin contact NAWMA on **8259 2100** or visit nawma.sa.gov.au/fogobin.

A benchtop kitchen caddy for collection of food scraps is provided with the green-lid kerbside bin. If you require a caddy to use with an existing green-lid bin, you can collect one from the Salisbury Community Hub at 34 Church Street, Salisbury.

Important Notice

Bins should be put on the kerbside outside the front of your property before 7:00am on the day they are to be collected. Bins must be placed on the kerbside with the lid opening towards the road, a small distance apart from each other – the lid should be closed.

Resource Recovery Centres:

There are two Resource Recovery Centres (Edinburgh North and Pooraka) where City of Salisbury residents can donate, recycle and dispose of items that can't go in the kerbside bins. Quality household goods, building and garden items, electronic waste, car batteries, larger amounts of general waste, large loads of garden clippings and hazardous substances can be responsibly disposed of at these centres. Details about what is accepted at each of the centres and associated disposal fees are available on the NAWMA website.

Special Collection of Rubbish:

The City of Salisbury provides two free hard waste services per financial year. Residents may choose two services per financial year:

1. Hard waste drop-off service - residents can drop off a 6 x 4 caged trailer amount of hard waste to a NAWMA Resource Recovery Centre free of charge.
2. Hardwaste Home Collection Service – Residents can book a home collection for 2 cubic metres of hard waste, with bookings collected within a 4 week period from the time of booking.

For more information call the City of Salisbury on **8406 8222** or the Northern Adelaide Waste Management Authority on **8259 2100**.
