

Ivory Curl Tree  
*Buckinghamia celsissima*

An evergreen tree, up to 8m in height, with glossy, green leaves and cream brush-like flowers that appear in summer through to autumn. This tree will tolerate a wide range of soil and climatic conditions. It is recommended for small verges and under powerlines.

## Furner Avenue, Ingle Farm

Following community consultation for your street earlier last year; we would like to advise that the selected tree species for your street is

### **Buckinghamia celsissima**

Please find enclosed information related to the tree species, plans for the tree removals/retentions and new tree plantings.

Tree removal works are being coordinated to occur over summer 2023.

Planting of new trees is being coordinated to occur beginning Autumn 2023.

You can access information regarding the Street Tree Program and benefits of trees by scanning here:
