

Japanese Elm
Zelkova serrata 'Green Vase'

A deciduous tree, up to 12m in height, with a vase-shaped canopy. It has bright, green foliage that turns red and yellow in autumn. This tree is tolerant of a range of climatic conditions.

Is recommended for small verges.

Local example: Devereux Road, Beaumont.

Kingswood Crescent, Paralowie

Following community consultation for your street earlier last year; we would like to advise that the selected tree species for your street is

Zelkova serrata (Green Vase)

Please find enclosed information related to the tree species, plans for the tree removals/retentions and new tree plantings.

Tree removal works are being coordinated to occur over summer 2023.

Planting of new trees is being coordinated to occur beginning Autumn 2023.

You can access information regarding the Street Tree Program and benefits of trees by scanning here:

or visit:

 salisbury.sa.gov.au/treeprogram

If you have any further questions please contact the Project Manager, Michael Oborn.

Street Tree Program Consultation Results Outcome

Trees are an important part of the landscape and urban environment across the City of Salisbury.

They provide a range of environmental and ecological benefits for the City and the wider community.

Timeframe

Tree removal works are being coordinated to occur over summer 2023 with planting to follow beginning Autumn 2023.

We will provide further information closer to works date.
