

Crows Ash
Flindersia australis

An evergreen tree, up to 20m in height, with a dense canopy. Foliage is long and narrow, dark green in colour. Small, white flowers appear in summer and seed pods following. This tree is tolerant of a range of climatic conditions and is recommended for medium verges.

Local example: Tennyson Street, Kurralta Park.

Park Way, Mawson Lakes

Following community consultation for your street earlier last year; we would like to advise that the selected tree species for your street is

Flindersia australis

Please find enclosed information related to the tree species, plans for the tree removals/retentions and new tree plantings.

Tree removal works are being coordinated to occur over summer 2023.

Planting of new trees is being coordinated to occur beginning Autumn 2023.

You can access information regarding the Street Tree Program and benefits of trees by scanning here:

or visit:

 salisbury.sa.gov.au/treeprogram

If you have any further questions please contact the Project Manager, Michael Oborn.

Street Tree Program Consultation Results Outcome

Trees are an important part of the landscape and urban environment across the City of Salisbury.

They provide a range of environmental and ecological benefits for the City and the wider community.

Timeframe

Tree removal works are being coordinated to occur over summer 2023 with planting to follow beginning Autumn 2023.

We will provide further information closer to works date.
