

## Latest news

25 June 2025

The City of Salisbury are partnering with a Buildtec and Catcorp consortium to revitalise the Salisbury City Centre into one of South Australia's most vibrant Centres.

The redevelopment of the City Centre will bring large scale activation and economic growth to the heart of Salisbury.

A concept plan and more information is available at [salisburycitycentre.com.au](https://salisburycitycentre.com.au).

This monthly update provides latest news on the Salisbury City Centre redevelopment.

## Buildtec and Catcorp campaign

# Salisbury City Centre

Buildtec and Catcorp have launched a new marketing campaign to promote residential sales and commercial leasing opportunities within Salisbury City Centre redevelopment.

Stay up to date on residential and commercial opportunities:

- Facebook [@salisburycityrevitalisation](https://www.facebook.com/salisburycityrevitalisation)
- Instagram [@salisburycitycentre](https://www.instagram.com/salisburycitycentre)

For more information and to download a leasing brochure, visit [salisburycity.com.au](https://salisburycity.com.au).

## Leasing opportunities

Opportunities within Stage 1 are now available, providing high quality, collaborative commercial tenancies across both ground floor activated street frontages and upper floor spaces to cater for a diverse range of businesses.

If you are interested in leasing opportunities within the new development, please contact [karan.chavan@leedwell.com.au](mailto:karan.chavan@leedwell.com.au).

## Frequently asked questions

### **Why is the State Commission Assessment Panel approving the development?**

Given the importance and significance of the redevelopment, the State Commission Assessment Panel (SCAP) will assess the development application and ensure the development is well designed and thought through. Council will not be assessing the development application.

### **What is the benefit to local businesses?**

The redevelopment has been strategically designed to integrate with existing streets and businesses, and further support renewal within the City Centre. Additional businesses located in the City will boost trade for existing operators, as well as bring variety to community and visitors.

### **How many jobs will be created?**

It is anticipated the project will create around 168 local jobs per year, over an anticipated five-year construction period. Once complete, it is expected there will be additional ongoing jobs created as part of the new commercial offerings.

## Meet with us

The City of Salisbury, together with Buildtec and Catcorp, want to work with local businesses to manage disruption during the redevelopment.

Business and property owners are invited to meet with Council staff to discuss the project. Please email [citycentre@salisbury.sa.gov.au](mailto:citycentre@salisbury.sa.gov.au) to book a meeting.
