### What to expect

Temporary detours will be in place for each road closure. **Access to local businesses will be maintained at all times.**

Construction will be managed to minimise disturbance to nearby businesses, residents and road users as much as practically possible. This includes scheduling works during the day or early evening where possible. Every effort will be made to minimise impacts to surrounding businesses and road users

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons, there may be some restrictions to pedestrian and cyclist access with signage in place to direct pedestrians and cyclists to alternative access and/or detours.

Please take extra care when workers are on site and observe speed limits, lane restrictions and traffic controllers when travelling through the area.
