The Finer Details

- While there will be trained event and support staff on site, the event is being held in a large open space and children remain the responsibility of parents and/or carers.
- If you need assistance please visit the large green Nature Play SA info marquee or see one of our friendly event staff in high-vis vests. Please advise your children that they should go to the green info marquee or find our event staff in high-vis vests for assistance if they become separated from you.
- Community Fun Day at St Kilda is a non-smoking and alcohol-free family event.
- Please minimise the waste you bring to the event and dispose of rubbish in the bins provided.
- As there is water nearby we encourage you to emphasise water safety with your children.
- Getting there – Head North on Port Wakefield Road, turn left onto St Kilda Road, then veer on to Cockle Street.
- Attendees can park at the Tramway Museum and catch the tram to the event for free.
- Please feel free to bring your own picnic rug with a packed lunch, alternatively there will be food options including Maxine's Baked Potatoes, Chi Chi's Modern Asian, Cuppagino's coffee and hotdogs, Salisbury Lions Club Sausage Sizzle, Tackle and Tucker Ice cream (and café across the carpark).
- We recommend bringing hats, sunscreen, water and mosquito repellent. Repellent will also be provided at the information tent.

We greatly appreciate your support and commitment to getting your kids outside and hope you have a fun-filled day with your family and friends.

Happy nature playing everyone!
