

KEEP THE POOL CLEAN, SWIMMERS

Public pools need to be clean to be safe. If we are sick, we can spread those germs through the water

DON'T get in the pool if you've got **DIARRHOEA**

DON'T get in the pool for **2 weeks** after having **DIARRHOEA**

Change nappies in nappy change areas, **NOT** POOLSIDE

Have fun in a **CLEAN** pool

Try **NOT** to get **POOL WATER** in your mouth

PUT babies and toddlers in **PROPER** swimming nappies

SHOWER and **WASH** with soap before you **SWIM**

CHLORINE kills most germs, but some germs can stay alive for **DAYS**
