

St. Kilda Mangrove Trail

Welcome to the St. Kilda Mangrove Trail

Enjoy exploring a flooded mangrove forest on an elevated walkway that meanders through tidal salt marshes, mangroves and sea grass channels to a lookout that has scenic views across the Barker Inlet.

Open	Daily 9.00am – 4.00pm (Except Christmas Day)
Cost	Free entry for self guided tours
Distance	400m (approximately 45min. return)

For Access gate keys are available from
Tackle and Tucker Kiosk
St. Kilda. Phone (08) 8280 9355
(adjacent to Boat Ramp, Cockle Street)

All Visitors are required to:

- Use the proper equipment and take the necessary safety precautions (eg footwear, hat, water supply, etc.)
- Be aware of their surroundings, as this trail covers terrain that is isolated and obscured from public view.
- Acknowledge and agree that they will use extreme caution while using the Trail.
- Share the Trail, respect all users
- Listen to the directions of Council Employees managing the Trail.

Conditions of Entry

- All plants and animals are protected
- Visitors should talk quietly to avoid disturbing wildlife
- Children under the age of 16 must be accompanied by an adult at all times
- Visitors must be vigilant at all times. The area is subject to high tides and severe weather conditions which can affect safety. In the event of sudden increases in water levels visitors must leave the Trail immediately. Occasionally high tides, severe weather conditions or maintenance requirements may force unforeseen closures.
- The Trail has been classified as a Class 3 Walking Track in accordance with the Australian Standards 2756.1-2007. This requires the Visitor to have a minimum level of skill and reasonable fitness to complete the Trail. The estimated completion time for the Trail has been timed at 45 minutes.

For the safety of all:

- | | |
|--|---|
|  The Trail is slippery when wet |  No swimming |
|  No Fishing |  No running on the Trail |
