

Burial Services

Salisbury Memorial Park provides a dignified and peaceful resting place with lasting memorials for those who are loved and missed. With a natural setting of large trees, lawn areas and flower gardens, this serene park expresses the community's respect for the past, and an ongoing commitment to establish a place of remembrance.

Our burial options include a general lawn section with beam and headstone. These sites have a 50 year lease and can have up to three coffins plus burial of ashes.

Our vault section allows a coffin to be enclosed by a vault in the ground. These sites have the option of a 50 or 99 year lease and can accommodate two coffins.
