Youtube Creators Studio

Step into the awesome Tech Hub at Burton Community Hub for an 8 week program of learning and fun!

Week by week, participants will learn epic design and editing skills, experiment with recording and film equipment and explore special effects, guided by our program expert!

While we can't promise YouTube Stardom, we're sure kids will leave with a new lens on screen time... Instead of just watching other people's content, let's have them learning how to create too!

Mondays, commencing 5 February, 3.45pm to 5pm (during school term)

AGE: Eight to 14 years

COST: \$40 for eight weeks
