

Paralowie Garden

Social Activities in the Garden

Tuesday and Thursday 9.30am to 12.00noon
For people aged 50 years and over

If you like being outdoors and in the garden you'll love working in our garden. We have 23 garden beds to grow seasonal vegetables, numerous fruit trees, herbs and flowers. There is always something to do to and you are welcome to join any of the activities in the garden to keep it looking good for all to enjoy. Some of the activities include:

Growing veggies

Preparing the beds and looking after the vegetables. If you don't have much experience we can teach you as we go.

Fruit trees

Looking after the 17 fruit trees, including making netting structures for the tree. We also have bananas! And need a hand potting up the banana pups!

Seed bank

Collecting, saving and storing seeds in an organized way. We save as many seeds as we can from the garden and like to share so everyone can enjoy affordable seeds.

Propagation

Growing seedlings and plants for the garden and to share with others We grow many of our own plants we can teach you how to as well.

And many more activities

\$3 participation fee

Morning tea

Corner Halba Crescent
and Waterloo Corner Rd, Paralowie
