## **D - POLICY STATEMENT**

### **Identifying Residential Customers Experiencing Financial Hardship**

6. A residential customer experiencing financial hardship is someone who is identified by themselves, by us, by an accredited financial counsellor, or by a welfare agency as having the intention, but not the financial capacity, to make required payments in accordance with our payment terms.
7. There are two types of financial hardship: ongoing and temporary. Depending on the type of hardship being experienced, hardship customers will have different needs and will require different solutions.
8. Residential customers who are identified as experiencing ongoing hardship are generally those on low or fixed incomes. These customers may require ongoing assistance.
9. Residential customers who may be identified as experiencing temporary hardship are those who have experienced a short term change in circumstances, such as serious illness, disability or death in the family, loss or change in income, separation, divorce or other family crisis, a loss arising from an accident, or some other temporary financial difficulty. These customers generally require flexibility and temporary assistance, such as an extension in time to pay or an alternative payment arrangement.
10. The extent of hardship will be determined by either our assessment process or by an external body, such as an accredited financial counsellor.
11. Where we assess a residential customer's eligibility for hardship assistance, we will consider indicators including (but not limited to) whether:
  - a) the customer is on a Centrelink income and holds a Pensioner Concession Card or holds a Centrelink Low Income Health Care Card
  - b) the Customer is eligible for a South Australian Government Concession
  - c) the customer has been referred by an accredited financial counsellor or welfare agency
  - d) the customer advises they have previously applied for emergency relief (irrespective of whether or not their application was successful)
  - e) the customers payment history indicates that they have had difficulty meeting their retail services bills in the past
  - f) the customer, through self-assessment, has identified their position regarding their ability to pay.

## **Assisting residential customers who are experiencing financial hardship**

12. We will inform a residential customer of this customer hardship policy where:
  - a) it appears to us that non-payment of a bill for retail services is due to the customer experiencing payment difficulties due to hardship, or
  - b) we are proposing to install a flow restriction device.
13. Where a residential customer has been identified as experiencing financial hardship, we will offer the customer, as soon as is reasonably practicable, flexible and frequent payment options that have regard to the hardship customer's usage, capacity to pay and current financial situation. These options will include the following:
  - a) an interest and fee free payment plan that complies with clause 28 to 32,
  - b) reoccurring BPay Payment Plan, or
  - c) other arrangement, under which the customer is given more time to pay a bill or to pay in arrears (including any disconnection or restriction charges),recognising that some residential customers have a short-term financial hardship issue that may be resolved in the near to medium term, where others may require a different type of assistance for ongoing financial issues.
14. We will not charge a residential customer a reconnection charge where the customer is experiencing financial hardship and should have been identified as eligible for this customer hardship policy, as long as the customer agrees to participate in our hardship program, upon reconnection.
15. We will engage in discussion with the hardship customer to determine a realistic payment option in line with the customer's capacity to pay.
16. We will work with a hardship customer's financial counsellor to determine the payment arrangement and instalment amount that best suits the customer and their individual circumstances.
17. Where a hardship customer's circumstances change, we will work with the customer, and their financial counsellor, to re-negotiate their payment arrangement.
18. We will not require a hardship customer to provide a security deposit.
19. We will not restrict a customer's retail service if:
  - a) the customer has agreed to a payment arrangement and continues to adhere to the terms of that arrangement, or
  - b) we have failed to comply with the requirements of this customer hardship policy.
20. We will also offer the hardship customer:
  - a) where appropriate, information about the right to have a bill redirected to a third person, as long as that third person consents in writing to that redirection
  - b) information about, and referral to, Commonwealth and South Australian Government concessions, rebates, grants and assistance programs
  - c) information about, and referral to, accredited financial and other relevant counselling and support services, particularly where a customer is experiencing ongoing financial hardship.
21. Where a hardship customer requests information or a redirection of their bills, we will provide that information or redirection free of charge.

22. We will provide information to the hardship customer on how to reduce usage and improve water efficiency, which may include referral to relevant government water efficiency programs. This will be provided at no charge to the customer.
23. We will explain to the hardship customer how and when the customer will be returned to regular billing cycles (and collection), after they have successfully completed their hardship program.
24. We will also explain to the hardship customer that they will be removed from our hardship program, and be returned to our standard collection cycles, including debt recovery, should they cease to make payments according to the agreed payment arrangement or fail to contact us for a period of greater than 90 days.
25. We will not take any action to remove a customer from our hardship program until we have sent the customer a written notice, allowing them 10 working days from the date of the notice to contact us to re-negotiate their re-entry into the program.

### **Retail services provided by Councils**

26. Typically, Council rates are made up of retail services (as defined in this policy) and non-retail services, for example refuse collection, parks and playgrounds, road maintenance.
27. The City of Salisbury's water retail service is billed separately to its Council rates, therefore if you are a residential customer in receipt of a water retail service provided by Council and you are experiencing financial hardship, then only the water retail element will be subject to the terms of this hardship policy.

  - a) The customer's capacity to pay and current financial situation
  - b) Any arrears owing by the customer, and
  - c) The customer's expected usage needs over the following 12 month period.
29. The payment plan will also include an offer for the hardship customer to pay their retail services in advance or in arrears by instalment payments at a frequency agreed with the customer (eg weekly, fortnightly, monthly or as otherwise agreed with the customer).
30. Where a payment plan is offered to a hardship customer, we will inform the customer in writing, within 10 business days of an agreement being reached, of:
  - a) The duration of the plan
  - b) The amount of each instalment payable under the plan, the frequency of instalments and the date by which each instalment must be paid
  - c) The customer is in arrears – the number of instalments to pay the arrears, and
  - d) If the customer is to pay in advance – the basis on which the instalments are calculated.
31. We will waive any fees for late payment of a bill for a hardship customer.
32. Where a hardship customer is seeking assistance in accordance with this policy, but has failed to fulfil their obligations under an existing hardship arrangement, we will require them to sign up for reoccurring BPay payments.
