

**Local Government Act 1999
Revocation of Community Land Classification.**

BACKGROUND

Pursuant to Section 194 (2) of the Local Government Act 1999, all land (except roads) that is owned by Council or under Council's care, control and management is taken to have been classified as community land unless Council has resolved to exclude the land from classification as community land.

DISCUSSION

Council is the registered owner of the land described as Parafield Airport Reserve, Allotment 102 in Filed Plan Number 9249, described in Certificate of Title Volume 6055 Folio 319.

The subject land is currently being used for a stormwater management drain, a driveway and car parking servicing the adjacent Mawson Lakes Interchange and is not regarded as usable recreational space. Council proposes to revoke the Community Land Classification for a portion of Allotment 102 in Filed Plan 9249 to facilitate a future development of the subject land consistent with the purposes of the Urban Core Zone.
