

Draft Salisbury Oval Precinct Master Plan

Breathing new life into the Salisbury Oval Precinct

FEEDBACK FORM

The City of Salisbury has an exciting vision to revitalise the Salisbury City Centre to attract more people to live, work, learn, play and invest in our City. This includes breathing new life into the Salisbury Oval Precinct, which is home to a number of thriving sporting and community clubs, and located close to the heart of the City Centre.

The City of Salisbury has developed a Draft Salisbury Oval Master Plan, to deliver on the potential of Salisbury Oval to become a safer, more attractive and vibrant place for sport, passive recreation and residential use. It will mean things to do for all ages, new outdoor parks and walking trails, improved access to the Salisbury City Centre and a place where residents and visitors will want to spend time.
