Other (describe)	

### Description or nature of the activity:

Cultural festival celebrating Punjabi heritage through music, dance, traditional attire, food, and community gathering.  
The event will feature indoor performances including Giddha, folk singing, and cultural showcases, as well as outdoor food stalls offering traditional cuisine.  
Approximately 600 attendances  
It is family friendly event aimed at promoting multiculturalism and community engagement.

### Location of the activity:

Name or Identifier of site	Angkor Hall, Parafield Gardens – Lok – Rang- Events - Adelaide
Address	Temple, 364-386 Salisbury Highway, Parafield Gardens SA 5107

**The anticipated sources and kinds of local nuisance generated by the activity:**

- **Sound levels** from cultural music, dance performances, and announcements, which will be kept within reasonable limits and restricted to designated hours.
- **Increased foot and vehicle traffic** around the venue during arrival and departure times, which will be managed with clear signage, parking guidance and traffic management.
- **Minor waste generation** from food vendors, with bins provided and regular clean-up throughout the event to maintain cleanliness.

**The period for which the declaration is sought:**

Date(s):	13 <sup>th</sup> July 2025
Times (duration)	1pm to 9pm (allowing 9:30pm (30min) for departures and pack up of equipment)

**The proposed strategy for minimising, managing and monitoring the effects of the local nuisance on potentially affected persons;**

- **Noise Management:**
  - All performances and announcements will be conducted indoors with sound levels kept within approved limits and do not exceed beyond allowed decibel levels or permitted limits. Outdoor activities will not include amplified sound, all entertainment will conclude by scheduled end time.
  - Minimum 4x crowd controllers and 4x caretakers will monitor and control any nuisance's behaviour within the carpark, preventing any antisocial conduct, unauthorised drinking and ensuring that vehicles depart in an orderly and a quiet manner.
  - Hall doors will be kept closed at all times when the event is on.
  - External areas will be monitored for excessive sound outside of the building.
  - High standard audio system managed by a qualified sound technician
  - The amplified sound will be limited and monitored during the event to prevent excess bass vibrations.
  - Sound and volume levels will not be raised and to be continuously monitored during the event.
  - Sound monitoring on site with a calibrated dBc meter measuring the bass ensuring levels throughout the event, working in conjunction with the band and sound technician to control the sound levels. Levels will be adjusted if there is multiple feedback from the neighbours.
  - The power will be cut off to the sound system at 9pm to prevent misuse.
- **Traffic and Parking Control:**
  - Clear signage and marshals will guide attendees to appropriate parking areas to prevent congestion.
  - Traffic Management plan attached
  - Public transport options and carpooling will be encouraged in pre-event communications.
- **Waste Management:**
  - Bins will be placed throughout the venue, especially near food stalls. A volunteer team will manage regular waste collection during the event, with a full cleanup immediately afterward to leave the site in excellent condition.
- **Communication with the Community:**
  - Nearby residents and businesses will be informed of the event in advance via flyers or notices as per the potentially affected plan.
  - A designated event contact number will be available during the event to promptly address any concerns.
  - Any complaints will be addressed immediately, and sound lowered if persistent noise complaints are received.

• **Vendor and Staff Responsibilities:**

- All food vendors and event staff will be briefed on maintaining hygiene, noise control, and respectful conduct toward the venue and surrounding area.
- Monitor each entry point to the hall to ensure order safety and a smooth run of the evening.

Refer to any attached plans as required in Attachments

**The proposed communication strategy for communicating with potentially affected persons;**

We are committed to keeping the local community informed and engaged in a respectful and timely manner. Our communication strategy includes:

- **Pre-event notification:** Residents and nearby businesses will be informed at least 1–2 weeks prior to the event through **letterbox flyers, posters, or direct notices**, detailing the event date, time, nature of activities, and contact information for any queries or concerns.
- **Contact details:** A dedicated phone number and email address will be made available on all communications for community members to reach out with any questions before or during the event.
- **On-site signage:** Clear signage will be placed around the venue providing information about the event, emergency contacts, and reminders to maintain respect for the local surroundings.
- **Responsive approach:** Any feedback or concerns raised by the public will be addressed promptly and professionally by the event management team.

Action will be taken if multiple calls have been reported or a local council representative confirms excess disturbances or by SAPOL.

Any noise-related concerns raised during the event will be promptly addressed by the sound technician and event manager.

All neighbouring properties have been notified to contact the event manager & safety representative for any site related issues.

**The proposed communication strategy of any unforeseen incidents with council;**

In the event of any unforeseen incidents, the organising team will follow a clear and responsive communication strategy with council authorities, including:

- **Immediate reporting:** Any incidents that may affect public safety, property, or the surrounding community will be reported to the relevant council contact or emergency services without delay.

The event caretakers and crowd controllers will take responsibility of any unforeseen incidents during the event with the priority of minimizing local nuisances.

A report will be written if deemed necessary by the event committee depending on the severity of the unforeseen incident and impact to the neighbouring residents.

- **Designated contact person:** A **primary point of contact** from the organising team will be assigned to liaise directly with the council before, during, and after the event.

In the event of an unforeseen incident (such as noise complaints, equipment malfunctions, or other disruptions), designated event manager will take immediate action to resolve the issue.

The event manager will notify the City of Salisbury authorities promptly if the situation cannot be managed on-site and requires further intervention. This will ensure transparency and minimise any potential escalation.

• **Incident documentation:** All incidents will be **documented in writing**, including time, nature of the issue, actions taken, and outcomes. This record will be shared with council if required.

The report will contain the incident and measures taken to resolve the issue and will be send to the council.

Prevention measures will be drafted to prevent further incidents in future events.

• **Cooperation and transparency:** We will maintain **open and transparent communication** with the council and fully cooperate with any guidance, support, or follow-up investigations related to the incident.

• **Post-event report (if needed):** A summary of any incidents and resolutions can be provided to council upon request as part of post-event evaluation.

If there are multiple complaints or a substantial incident, the event manager will provide regular updates to the council and follow their instructions for further action.

Acknowledge concern raised directly with affected person and identify any strategy to reduce noise impacts.
