#### About me

Hello everyone, I am Rosie. Hope you are having a great day. I just wanted to let you know that I am looking for my forever home. I am a pretty easy-going girl so I am sure I can fit in pretty quickly to your household. I love going for walks although I do pull a little at first on lead but I had no lead training prior to coming here so they I am doing really well so should have that down pat before too long. My carers say that I am a pretty quick learner. I love to make my people happy. I have met other dogs here and I can do this pretty well. I wasn't socialised too much prior to coming here but my carers are letting me meet dogs here and it's great to now finally hang with the other fur kids here. If you have another dog at home please ask to bring them with you when you come to meet me. Also, if you have kids please let us know that too. I have only ever really been round older kids so it would be good to meet your whole family when you come to see me. Please come and meet me really soon because I am ready for a brand-new fresh start, and I really hope it is with you.
