lives

Ignite Your Business

You're not alone! One2One mentoring for starters

Just starting out in business?

Ignite Your Business will get your business moving in the right direction.

A Polaris mentor can make the difference.

No matter your challenge, whether it's planning, legal requirements, branding, structuring your business, or how to market effectively, we can help.

Explore your options and fire up your business today.

The benefits

Over three months, you receive:

- 3 x 1.5 hours of mentoring
- The opportunity to learn from experienced business professionals
- Tailored and personalised support to grow your business

Cost: \$495.00

\$247.50 subsidised
