1. Sports Development Framework Evaluation

1. BACKGROUND

- 1.1 In August 2014 Council resolved the following:
 - (i) Council note the evaluation of Phase 3 of the Sports Development Framework.
 - (ii) Council refer the Sports Development Program for two years to the first quarter budget review for 2014/15 and for the 2015/16 Budget.
 - (iii) An evaluation report on phase four of the Sports Development Framework be provided to Council by February 2016.
- 1.2 Phase four of the Framework has now been evaluated and a detailed outline of the outcomes is attached (attachment 1).
- 1.3 The evaluations undertaken have highlighted that the Framework continues to be extremely successful and beneficial for community sport within Salisbury and should therefore continue.

- 1.4 The review of the previous Framework identified a need to make some modifications to the key directions of the Framework. The modifications made to the Framework now better reflect and align with strategic directions across the sporting industry for community sport at a state and national level.
- 1.5 Council's funding allocation for Phase four of the Sports Development Framework concludes 30 June 2016 and further funding is now being sought to continue the Framework's implementation.

2. CONSULTATION / COMMUNICATION

- 2.1 The implementation of the fourth phase of the Sports Development Framework has been undertaken through consultation and partnership with relevant federal and state government departments, councils, peak, state and national sporting bodies, local sporting clubs, sporting associations, elite sporting clubs, non-government organisations, community organisations, schools, community service groups, University of SA, TAFE, local businesses and corporate organisations.
- 2.2 Various Memorandums of Understandings have been developed with project partners for the delivery of programs.

- 3.1 The Sports Development Framework aims to facilitate opportunities for people of all ages, abilities and interests to be actively involved in sport and recreation as a player, coach, official, volunteer and/or administrator from grass roots to the professional level.

- 3.4 The implementation of the Sports Development Framework has created partnerships and established activities that support key objectives across Council's endorsed Action Plans and strategies including, but not limited to the Youth Action Plan, Learning Action Plan, Drug and Alcohol Framework, Reconciliation Action Plan, Beyond the Ramp and the Aged Friendly Action Plan.

Re: Application for Community Grants Funding

A group of African migrants, residents of Salisbury and surrounding environs, have formed the St. Mary Choir and often serve to lead the community in singing at Mass at the St Augustine's church in Salisbury and at the Holy Family Mass Centre in Parafield Gardens. Their enthusiastic singing provides a lively setting for the celebration of the Sunday Masses and the community certainly appreciates their contribution.

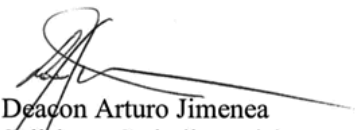

The Choir also participates in other community events whenever the occasion and opportunity presents itself.

The parish certainly appreciates the volunteer work they do and so provides them with room and facilities for their scheduled choir practices and rehearsals. However, the group has come to realise that they need to acquire more musical instruments and equipment to enable them to perform better and also attract more people to become active participants as musicians and/or singers.

We commend them in their desire to do better and would like to support their application for funding thereto.

We hope for your kind consideration.

Yours sincerely in Christ,

Deacon Arturo Jimenea

Dear [REDACTED]

Thank you for your email.

Football Federation SA (FFSA) would not be able to provide a letter of support for the sporting grant, as this tournament is not endorsed by FFSA.

Adelaide United would be the only body who could provide such a letter as they are participating in the tournament.

Dear Mr Harry *John*

Family Sporting Grant

I enclose an email I received from [REDACTED]
[REDACTED] re a youth sporting grant for their son, [REDACTED]

The email is self-explanatory.

Whilst I can understand the rationale of Council requiring a letter from the peak body I can also understand the disappointment for the [REDACTED] family.

I ask whether some flexibility could be applied to the policy to avoid what appears to be an unintended consequence that in this case precludes [REDACTED] from being eligible for assistance.

Yours sincerely

Subject: Sporting grant

To Tony Zappia

My son [REDACTED] was lucky enough to make the U16 Adelaide United squad to compete at the Mediterranean international cup in Barcelona (Spain). [REDACTED] years old he has been playing soccer since he was 5 years old for [REDACTED] since then now plays for [REDACTED]. [REDACTED] will travel to Spain in March 2016, he is very excited about playing the best junior teams in the world. Eg. Liverpool, Villarreal, Real Madrid, just to name a few. We have received a letter from the Adelaide United CEO in which were told to take to our local council (city of Salisbury) as we live in [REDACTED], for a international youth sporting grant. We have filled out all the required forms with this letter and supporting documents. City of Salisbury have rejected our grant stating they needed a letter from a peak body, Adelaide United purely stand alone they are the peak body, all the kids have already received their grant from other councils but [REDACTED] gets nothing for this great achievement. I am asking for your help in this matter, a grant will be very helpful to send [REDACTED] to Spain as the trip is very expensive, is their anything you could do to help [REDACTED] achieve his dream.

Thank you
Kindest regards
