**DV & Family Violence Project Team Update July 2019**

Luke Hall

The DV team has partnered with SAPOL in Salisbury to support their White Ribbon walk in July by designing and having a banner produced by Haynes signs to carry on the walk. The team will also be making badges for people to wear on the walk.

We are also working with Council staff to plan an event for later in the year to mark White Ribbon Day

The second part of our project is a public art project working with a young Aboriginal artist and some local young people to produce an art piece on the Salisbury North Skate Park toilet block to highlight that violence is not ok

The team is also looking at collecting data relating to DV & Family Violence in the City of Salisbury with a focus on young people

**Life Beyond 18 Project Team Update July 2019**

Tom Wood

The project team has been developing the sessions for this program with assistance from Julie Brett and Damien Walker

An expression of interest form was created and uploaded on the Cos website with the link shared on the Youth in Salisbury Facebook page and emailed out to people who work with young people.

34 people have registered their interest and an information session will be held in early August to ensure the young people are committed to joining the 8 week program

The team has also been securing guest speakers for the program including experts in Tax, Housing, Centerlink and Finance.

Discussions will also be held with Burton Road Community Centre as Youth Council has been approached to support a program being held at Burton

The goal of this program is for it to be a pilot program developed in a professional manner with the aim to be able to share the program content with other organisations that work with young people to deliver more programs across the region
