## CONFIDENTIAL ITEMS

### 1.4.1 Structure Plan West Port Wakefield Road

#### Recommendation

Pursuant to section 83(5) of the *Local Government Act 1999* the Chief Executive Officer has indicated that, if Council so determines, this matter may be considered in confidence under Part 3 of the *Local Government Act 1999* on grounds that:

1. *Pursuant to Section 90(2) and (3)(b)(i) and (b)(ii) of the Local Government Act 1999, the principle that the meeting should be conducted in a place open to the public has been outweighed in relation to this matter because:*
  - *it relates to information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the council is conducting, or proposing to conduct, business, or to prejudice the commercial position of the council; and*
  - *information the disclosure of which would, on balance, be contrary to the public interest.*
2. *In weighing up the factors related to disclosure,*
  - *disclosure of this matter to the public would demonstrate accountability and transparency of the Council's operations*
  - *prejudicing commercial position of Council, and on balance contrary to public interest.*

*On that basis the public's interest is best served by not disclosing the **Structure Plan West Port Wakefield Road** item and discussion at this point in time.*

3. *Pursuant to Section 90(2) of the Local Government Act 1999 it is recommended the Council orders that all members of the public, except staff of the City of Salisbury on duty in attendance, be excluded from attendance at the meeting for this Agenda Item.*

## 1.4.2 St Kilda Future Development Opportunities

### Recommendation

Pursuant to section 83(5) of the *Local Government Act 1999* the Chief Executive Officer has indicated that, if Council so determines, this matter may be considered in confidence under Part 3 of the *Local Government Act 1999* on grounds that:

1. *Pursuant to Section 90(2) and (3)(b)(i) and (b)(ii) of the Local Government Act 1999, the principle that the meeting should be conducted in a place open to the public has been outweighed in relation to this matter because:*
  - *it relates to information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the council is conducting, or proposing to conduct, business, or to prejudice the commercial position of the council; and*
  - *information the disclosure of which would, on balance, be contrary to the public interest.*
2. *In weighing up the factors related to disclosure,*
  - *disclosure of this matter to the public would demonstrate accountability and transparency of the Council's operations*
  - *prejudicing commercial position of Council, and on balance contrary to public interest.*

*On that basis the public's interest is best served by not disclosing the **St Kilda Future Development Opportunities** item and discussion at this point in time.*
3. *Pursuant to Section 90(2) of the Local Government Act 1999 it is recommended the Council orders that all members of the public, except staff of the City of Salisbury on duty in attendance, be excluded from attendance at the meeting for this Agenda Item.*

**CLOSE**

26/10/2020 6.0.2- IBDSC6	<b>Community Bus to Service Western Suburbs</b> 6. That a report be brought back at the conclusion of the trial, analysing the success or otherwise of the trial, including; <ul style="list-style-type: none"> <li>– the uptake of the service overall</li> <li>– which stops are used the most/least</li> <li>– customer and staff feedback.</li> </ul> <b>Due:</b> June 2022	Julie Douglas

21/12/2020	<b>Summary of the City of Salisbury Tourism &amp; Visitor Strategy, 2016-2021</b>	Julie Kushnir
1.1.2	c) That following the workshops, a report be prepared that summarises the session, outcomes of consultation and advises Council on a draft 2021 and beyond draft visitation strategy.	
<b>Due:</b>	October 2021	
21/12/2020	<b>Lindblom Park &amp; Thomas More College Improvements</b>	John Devine
4.1.3	3. The working party to provide a recommendation to the Policy and Planning Committee by October 2021.	
<b>Due:</b>	October 2021	
<b>Deferred to:</b>	December 2021	
<b>Reason</b>	This report will be delayed to coincide with the report dealing with resolution 1.1.1 from May 2021, Lindblom Park Master Plan – Update.	
27/04/2021	<b>Thematic Heritage Framework Study</b>	Peter Jansen
1.1.3	2. Staff undertake a preliminary Identification Survey of the Council area using the Salisbury Thematic Heritage Framework, and report back to Council on the findings.	
<b>Due:</b>	December 2021	
24/05/2021	<b>Lindblom Master Plan - Update</b>	Jamie Hosking
1.1.1	3. That a report be presented to the Policy and Planning Committee in December 2021 detailing the proposed finalised concept design.	
<b>Due:</b>	December 2021	
24/05/2021	<b>2021-22 New Initiative Bid Update - Sustainability</b>	Clint Watchman
2.1.8	1. That New Initiative Bid OPN000691 - Sustainability Coordination and Partnerships be updated to incorporate a further provision of \$50,000 for 2021/22 and in-principle support for years 2 and 3 <u>subject to a further report within the first 12 months being presented to Council about the collaboration project with other Councils and consideration of other funding opportunities.</u>	
<b>Due:</b>	February 2022	
26/07/2021	<b>Places of Worship Submission</b>	Peter Jansen
1.1.1	2. That the Mayor, Chair of Policy and Planning Committee, and Senior Staff meet with GAROC members to discuss the issues highlighted in the draft submission and a decision on making a submission, and the content of a submission, be determined by Council following that meeting.	
<b>Due:</b>	October 2021	

23/08/2021	<b>Springbank Waters and Wetlands, Burton - Shared Use Path</b>	Jamie Hosking
4.2.4	3. Approves that staff bring back a report with a proposed policy on shared pathway lighting for consideration by Policy and Planning Committee by no later than December 2021.	
<b>Due:</b>	December 2021	

#### **4. CONCLUSION / PROPOSAL**

- 4.1 Future reports for the Policy and Planning Committee have been reviewed and are presented to Council for noting.

Date:	13/09/2021	08/09/2021	07/09/2021	06/09/2021	08/09/2021

<b>ITEM</b>	1.1.1
	<b>POLICY AND PLANNING COMMITTEE</b>
<b>DATE</b>	20 September 2021
<b>HEADING</b>	Sponsorship - Bowls SA South Australian Super League
<b>AUTHOR</b>	Andrew Hamilton, Manager Sport, Recreation & Community Planning, Community Development
<b>CITY PLAN LINKS</b>	1.2 The health and wellbeing of our community is a priority 3.3 Our infrastructure supports investment and business activity 4.2 We deliver quality outcomes that meet the needs of our community
<b>SUMMARY</b>	Since 2018 the City of Salisbury has sponsored Bowls SA to support their flagship State competition, the SA Super League held at Salisbury Bowling Club. The City of Salisbury has the opportunity to remain a key sponsorship partner. This report seeks Council approval to negotiate an additional 3-year Sponsorship Agreement with Bowls SA at \$15,000 per annum and develop the required budget bid reviews for consideration.

## **RECOMMENDATION**

### That Council:

1. Notes that a sponsorship proposal, as set out in Attachment 1 to this report (Policy and Planning Committee, 20/09/2021, Item No. 1.1.1) has been received from Bowls SA to the City of Salisbury for the continued sponsorship of the SA Super League in 2022.
2. Authorises the CEO or delegate to negotiate into a sponsorship agreement for three-years on the basis of the principles outlined in Paragraph 3.9 of this report (Policy and Planning Committee, 20/09/2021, Item No. 1.1.1) and in line with the City of Salisbury's Sponsorship Policy.
3. Approves the development of a First Quarter Budget Review Bid for the amount of \$15,000, with a copy of the bid to be provided at the November 2021 Finance and Corporate Services Committee.

## **ATTACHMENTS**

This document should be read in conjunction with the following attachments:

1. Attachment 1 - Bowls SA Super League Sponsorship Proposal

### **1. BACKGROUND**

- 1.1 Bowls SA (the State association for lawn bowls) launched a new elite competition in 2018 in South Australia known as the SA Super League. The new competition provides selection pathways for elite players in South Australia to gain selection into national teams that represent Australia at world championships, Commonwealth Games and the Olympic Games.

- 1.2 The SA Super League provides a high-quality competition consisting of seven minor round games and two weekends of finals. In 2022, the program begins in February and finishes in March. The competition attracts the best players from across the State to compete, as it will be the main selection process for players seeking to compete at a National and International level.
- 1.3 In 2018, the City of Salisbury approved (2449/2018, Policy and Planning Committee, 16/04/2018, Item No. 1.1.3) a three-year, \$15,000 (per year) sponsorship with Bowls SA to secure the inaugural SA Super League to be hosted at Salisbury Bowling Club in 2018, 2019 and 2020.
- 1.4 As a result of the all-weather green, and Salisbury Bowling Club's capability to host significant premier competitions, Bowls SA has offered Council the opportunity for Salisbury to continue to host and support the SA Super League.

## **2. CONSULTATION / COMMUNICATION**

### **2.1 Internal**

- 2.1.1 Community Planning, Community Development
- 2.1.2 Social Planning, Community Development
- 2.1.3 Community Experience & Relationships, Business Excellence
- 2.1.4 Financial Services, Business Excellence

### **2.2 External**

- 2.2.1 Bowls South Australia
- 2.2.2 Salisbury Bowling Club

## **3. REPORT**

### *The Competition Structure and Benefits*

- 3.1 The SA Super League consists of eight statewide franchise teams from across South Australia with 16 players per squad and a minimum number of women and under 18s for each team. It is predicted that each week during February and March 2022, players, their families and support teams from across the state will travel to Salisbury to compete in the competition. It is likely that players, families and support teams will choose to stay at accommodation locally to maximize their time at the venue.
- 3.2 From 2019 to 2020, the competition saw a 40% (from 100 to 250) increase in unique event participants and 38% (from 70 to 180) increase in number of participants visiting from outside the host region. Of total participants recorded, 60% (150 participants) were outside metropolitan Adelaide, ranging from Yorke and Fleurieu Peninsulas, Barossa and South East regions.
- 3.3 In addition to increasing opportunities for local athletes to participate in elite pathways and attracting visitors to the City of Salisbury, the SA Super League event helps to promote and grow the sport locally.
- 3.4 As part of the commitment to sport in the area, Bowls SA will work with the Salisbury Bowls Club and Council to promote the club and sport to residents. This will include opportunities to come and try bowls at events and engage with local schools.

*City of Salisbury Strategic Alignment*

- 3.5 This proposal is aligned to the vision of the City of Salisbury to enhance the Salisbury City Centre, through the ability of the events to attract visitors and residents to the Salisbury Oval as well as through the City Centre.
- 3.6 The SA Super League will contribute towards improving the vitality of the Salisbury City Centre and there is the opportunity to promote the City Centre through live streaming and exclusive television rights to promote Salisbury to residents and visitors. This will reinforce the value and importance of the Salisbury Oval sporting precinct and promote the opportunities for participation at the Salisbury Bowls Club.
- 3.7 The SA Super League will showcase the Salisbury City Centre to residents and visitors from across the metropolitan and regional areas with the increased visitation supporting local business through visitor spend.
- 3.8 This sponsorship proposal is consistent with the City of Salisbury's Sponsorship Policy as approved by Council 23 August 2021 (Resolution Number: **0001/2021**).

*Financial implications and sponsorship benefits*

- 3.9 Bowls SA are investing in the order of \$70,000 to the SA Super League and are seeking \$15,000 per year in sponsorship support from the City of Salisbury for a three-year period.
- 3.10 A sponsorship arrangement provides the City of Salisbury with a range of promotional opportunities for businesses as well as supporting local sporting club development. The impact, reach and reputation of the Council as a significant sponsor would be positively impacted. This approach would not incur additional operating costs, other than the preparation of the agreements and minor facilitation in relation to communications.
- 3.11 Further, Bowls SA have extended an invitation for the Mayor and/or Elected Members to officially open the event, present volunteer recognition awards, and attend the Grand Final as special guests.
- 3.12 The Sponsorship conditions, as a minimum, would consist of the following:
- Promotional opportunities through all forms of media as appropriate
  - Significant recognition of the City of Salisbury
  - Logo placements on all SA Super League collateral and advertising materials
  - Recognition in speeches of the contributions of the City of Salisbury
  - Distribution of promotional materials relating to the City of Salisbury businesses
  - Promotion of the sport, event and Salisbury Bowls Club to City of Salisbury residents
  - Additional participation opportunities for City of Salisbury residents in the sport of bowls.
- 3.13 Bowls SA have proposed a sponsorship agreement for an additional three-year term of \$15,000 per year for the City of Salisbury, and the Salisbury Bowling Club, to host the SA Super League in 2022, 2023 and 2024. The competition is also supported by Sports Centre and Lion Nathan.

**4. CONCLUSION / PROPOSAL**

- 4.1 An investment of \$15,000 per year for a three-year period provides the City of Salisbury an opportunity to attract increased visitation and improve sport participation outcomes. In addition, the SA Super League would contribute to the status of the Salisbury Oval Precinct as one of the City of Salisbury's premier sporting areas.
- 4.2 Should Council determine that funding be provided to Bowls SA for the proposed three-year agreement, the development of a First Quarter Budget Review Bid for the amount of \$15,000 is required, with a copy of the bid to be provided at the November 2021 Finance and Corporate Services Committee.

**CO-ORDINATION**

Officer: GMCoD  
Date: 07/09/2021

**BOWLS SA  
SA SUPER LEAGUE  
CITY OF SALISBURY COUNCIL 2022 EVENT**

**EVENT INFORMATION**

- The competition is unlike any other event on the Bowls SA calendar, with 8 established statewide franchise teams formed, and each affiliated bowling club in South Australia being aligned with one of these teams to act as feeder clubs. This serves the purpose of assisting country clubs or metropolitan clubs without a high-grade pennant side, to retain their best available talent as the individual players can play in the best competition in the state, while being based out of their home club.
- Each franchise team has a squad of 16 players that participate in a league and reserves competition as well as an under 21 competition.
- Discipline – A Medley of Singles, Pairs and Triples, all run at the same time.
- Number of official days: 6 proposed dates  
Proposed Dates of event:
  - Sunday 13 February – Round 1 & 2 – Opening Day and Family Fun Day
  - Friday 18 February – Round 3
  - Sunday 27 February – Round 4 & 5 – Country Round
  - Friday 4 March – Round 6 & 7
  - Sunday 13 March – Semi/Prelim Finals and Elimination Final
  - Friday 18 March – Grand Final
- Activation of local Bowling club: Salisbury by providing a marquee state quality event to host.
- Activation of local tourism, accommodation, and hospitality businesses.
- Aim to have 250 participants over each of the 6 days of competition all staying in the area for the duration of the event.
- Live streaming of matches of the round via Facebook, as well as free to air on Channel 44 and NITV at a national level. The 2020 SA Super League saw an increased in viewers watching each live stream match with each game getting an average of 30,000 views.
- Draft process for remaining squad positions with over 200 applications for the last 3 years competition.

#### **BOWLS SA CONTRIBUTION**

- Managing the event
- Promotion
- Entries
- Draft coordination
- Coordinate with clubs
- Coordinate with participants
- Conduct event draw
- Promote City of Salisbury area and tourism opportunities
- Coordinate prize money
- Umpires and Markers
- Uniforms with the City of Salisbury logo on all new uniforms purchased.

#### **CITY OF SALISBURY COUNCIL CONTRIBUTION**

- Provide an Event "hosting fee" to Bowls SA each year of \$15000 +GST
- 3 year term
- The amount is to be invoiced by BSA following the completion of the Event and paid by AC within 30 days of receipt of invoice and post event report.
- Provide supporting collateral promoting the area and tourism opportunities.

#### **EVENT MANAGEMENT**

- Bowls SA staff
- Event manager will run the day at each club for all 6 days

#### **CLUB CONTRIBUTION**

- Access to club and facilities
- BBQ and food for sale
- Raffle opportunity
- Club contact person
- Promote the event to local bowlers to participate

#### **COSTING**

There is no cost for players to indicate if they wish to get picked up by a team to participate.

Marketing, Livestreaming and TV \$30,000

Prize money \$20,000

Uniforms \$ 22,000

#### **DRAW**

- A draw is to be conducted by Bowls SA

#### **ENTRIES**

- Entries are to be managed by Bowls SA and communicated to host franchises before the draft

#### **VOLUNTEER RECOGNITION**

- Mayor and/or Similar to Present recognition to Volunteers at opening of event and on Grand Final Day.
- A volunteer from the host club or surrounding to be recognised on Grand Final Day with a certificate of appreciation.
- If applicable a Bowls SA volunteer to be recognised on one of the days as appreciation for dedicated work for Bowls SA.

<b>ITEM</b>	1.2.1
	<b>POLICY AND PLANNING COMMITTEE</b>
<b>DATE</b>	20 September 2021
<b>HEADING</b>	Signing Green Partnership
<b>AUTHORS</b>	Craig Johansen, Team Leader Natural Assets, City Infrastructure Clint Watchman, Coordinator Urban Policy, City Development
<b>CITY PLAN LINKS</b>	1.2 The health and wellbeing of our community is a priority 2.1 Salisbury has a balance of green spaces and natural environments that support biodiversity 2.2 We make the most of our resources including water, waste and energy
<b>SUMMARY</b>	This report presents information and recommendations for Council in relation to the initiative of Green Adelaide and its desire to create Adelaide as the next National Park City.

**RECOMMENDATION**That Council:

1. Receives and notes the information.
2. Authorises the Chief Executive Officer to sign the National Park City [charter](#) on behalf of Council.
3. Approves for the Administration to contact Green Adelaide, National Parks City to discuss further what on ground action can be taken to support and partner on this initiative within the City and report back to Council on the detailed conditions and policies that relate directly to Council once these are known.
4. Approves the request from Green Adelaide to contribute \$10k for canopy cover and heat mapping to be undertaken in summer 2021/22 in partnership with other contributing Councils, with the cost to be funded from existing the existing budget.

**ATTACHMENTS**

This document should be read in conjunction with the following attachments:

1. Green Adelaide presentation to Policy and Planning August 2021

**1. BACKGROUND**

- 1.1 At the June meeting of Council, Motion on Notice 7.3 *Signing Green Partnership* was presented, with the following resolved:

“1. Council resolves that:

- 1.1 *The City of Salisbury shows public support for Adelaide becoming a National Park City, through signing the Adelaide National Park City Charter.*
  - 1.2 *Opportunities be considered for City of Salisbury communications which reference Adelaide National Park City, promoting current programs which align to the Adelaide National Park City Charter.*
  - 1.3 *When reviewing Strategic Plans, Community Plans etc., City of Salisbury consider including clear links to Adelaide National Park City.*
2. *That the City of Salisbury provide in principle support for the Green Adelaide initiative and request the following actions and advice to be provided for the July 2021 meeting of the Policy and Planning Committee:*
- 2.1 *Invite the Chair of Green Adelaide, Dr Chris Daniels, to give a presentation to the Committee at its July 2021 meeting;*
  - 2.2 *A further report be presented to the August meeting with information and recommendations to sign the agreement with Green Adelaide;*
  - 2.3 *The most appropriate process for ensuring City of Salisbury development plans include requirements and guidelines for “pocket parks”;*
  - 2.4 *The CEO, on behalf of Council, making a submission to the LGA’s Research and Development Committee seeking funds for heat mapping to be undertaken across metropolitan Adelaide.”*

*Resolution Number 1012/2021*

- 1.2 Professor Chris Daniels, Presiding Member Green Adelaide Board and Mr Brenton Gear, Director Green Adelaide presented to Council on the purpose of Green Adelaide at the August 2021 Policy and Planning meeting.

## **2. CONSULTATION / COMMUNICATION**

### **2.1 Internal**

- 2.1.1 City Development staff
- 2.1.2 Green Adelaide Education Officers hosted by Council

### **2.2 External**

- 2.2.1 Green Adelaide Board and staff

## **3. REPORT**

- 3.1 Professor Chris Daniels, Presiding Member and Mr Brenton Gear, Director Green Adelaide gave a presentation to the Policy and Planning Committee at its August 2021 meeting. The presentation is Attachment 1 to this report.
- 3.2 Professor Daniels’ presentation discussed the Green Adelaide vision of ‘*A cooler, greener, wilder and climate resilient Adelaide that celebrates our culture*’ and explained how consideration and inclusion of the vision provides a benefit to the urban environment in which we live.

- 3.3 The vision has been developed to include people and culture, so that the importance of connection to nature and country is at the fore, with recent events making a stronger case of the benefit of connection to nature for community health and well-being.
- 3.4 The fine details around the National Parks plan requirements have not be finalised at this time, however, as highlighted further in this report, the themes and principles are in line with Council's City Plan, particularly livability and sustainability, and have direct links to Council's Place Activation and Sustainability agendas.
- 3.5 There is also a current action within the community to engage more with our indigenous culture. City of Salisbury has been part of this action with the dual naming of Salisbury Civic Plaza/Inparrinthe Kumangka, artwork at the Salisbury Community Hub and Para Hills Community Hub and Community events relating to Kaurna language, indigenous plants and uses.
- 3.6 The Green Adelaide region spans 17 local government areas within Metropolitan Adelaide, replacing the Adelaide and Mount Lofty Ranges Natural Resource Management Board when the Landscape SA Act 2019 was enacted in July 2020 to replace the Natural Resources Management Act 2004.
- 3.7 Green Adelaide's seven priorities within its annual business plan are:
  - Coastal Management
  - Water Resources and wetlands
  - Green Streets and flourishing parklands
  - Biodiversity and water Sensitive urban design
  - Fauna, flora and Ecosystem Health in the urban environment
  - Controlling pest plants and animals
  - Nature Education
- 3.8 Council hosts two Green Adelaide Nature Education officers for the northern area of Green Adelaide region. The education officers engage with the community in alignment with these priority areas. Until recently this engagement has been focused on schools and the Australian Curriculum, with the focus changing to the broader community as part of the establishment of Green Adelaide.
- 3.9 Green Adelaide's programs are greening our streets and backyards, while National Park City, is focused on "Igniting Culture and Rewilding our Rivers and Coastline".
- 3.10 Green Adelaide as part of a consortium of speakers presented their pitch '*Adelaide's Green Movement: Action Creating a National Park City*' to the National Park City Foundation on the 21<sup>st</sup> July 2021 as part of the National Park City Week 2021. This was the commencement of the National Park City journey for Adelaide. The pitch presentation can be found on the news section of the Green Adelaide website.
- 3.11 National Park City Foundation seeks to improve life through everyday actions and strategic policy, so our cities become green, healthier, wilder and fairer places to live through increased opportunities and experiences in the following:
  - 3.11.1 Relationships between people and nature

- 3.11.2 Wildlife and habitats
- 3.11.3 Clean air
- 3.11.4 Healthy rivers and waterways
- 3.11.5 Outdoor play and learning
- 3.11.6 Public space
- 3.11.7 Green space
- 3.11.8 Cycling, walking, kayaking
- 3.11.9 Outdoor art and performance
- 3.11.10 Green activities and projects
- 3.11.11 Links between the natural and built environment
- 3.11.12 Links between green and built heritage
- 3.12 Adelaide is one of 18 cities around the globe that is currently working towards being a city recognised by the National Park City Foundation.
- 3.13 The Adelaide National Park City desires to get everyone involved, whether an individual, business/organisation or place of learning, through a smaller set of actions as per the following five points:
  - 3.13.1 Connect
  - 3.13.2 Grow
  - 3.13.3 Have a Go
  - 3.13.4 Discover Kaurna Culture
  - 3.13.5 Live/ Work/ Teach more thoughtfully
- 3.14 Council has a great opportunity to be active in these areas with the day to day operations of Council, as we engage with community and inform/ guide how the community can engage with the City's open space and natural areas found within the City.
- 3.15 The City of Salisbury has a great legacy due to the past vision of Council which implemented and refined the numerous wetlands and waterways across the City, to improve water quality to the Barker Inlet, and the riverine environments and associated Aquifer Storage and Recharge which has supported numerous other green initiatives across the City.
- 3.16 Similarly, Council has continued to deliver the Biodiversity Corridors Management Plan, Carbon Management Plan, Watercourse Management Plans, Green Trails Projects, working closely with State Government to deliver the principles set out above by the Adelaide National Park City. These principles and opportunities will be updated and implemented in future through the Sustainability Strategy.
- 3.17 The new Discover Salisbury platform and webpage, currently has good information about the self-explorable natural assets within the City, with reference to the Adelaide International Bird Sanctuary, St Kilda Mangrove Trail and Cobbler Creek Recreation Park.

- 3.18 Council staff in conjunction with Green Adelaide and other State Departmental staff will continue to take opportunities to promote, engage and educate our community, through large and small scale events where the opportunity arises. An example of this is the Salisbury Community Fun Day that is scheduled for later this year, which in 2019 was run in conjunction with Nature Play SA Festival.
- 3.19 With the recent Little Para Native Forest project, staff have explored avenues to engage and connect community with plant propagation and planting events. This opportunity for the community has fulfilled the Connect, Grow and Have a Go agenda of Adelaide National Park City. Staff will continue to explore these avenues as opportunity arises, to ensure that Councils works support the Adelaide National Park City agenda and charter.
- 3.20 To continue to facilitate connection to country and educate the community of the local indigenous culture. Staff will continue to work with the RAP working party to maintain the conversation with local Kaurna people to acknowledge the value Kaurna nation has to the land and country.
- 3.21 With the introduction of the new Planning and Design Code, planning policy now resides at a State level, meaning that Council doesn't have a "Development Plan" anymore where the policy is directly managed by Council. With the term public realm being the interpretation within the Act, which covers parks and other public places and streetscapes. With the Act focusing on Principles of Good Planning, it identifies high-quality design principles for public realm to have a space which strikes a balance with the built form and infrastructure and is sympathetic to the character of the locality.
- 3.22 Whilst the development by Council of the Place Activation Strategy guides the manner in which Council will seek provision within the parks and open space associated with development, it does not have the ability to mandate open space provision as a result of small-scale development. Councils' ability to influence open space management, say for "pocket parks", the creation of small open space areas in new redeveloped areas, under the new planning and design code is now somewhat limited. For example, any development proposing 20 allotments or more requires at least 12.5% public open space or a financial contribution. Proposals under 20 allotments are not required to provide public open space. The quality of the open space is negotiated at the time of the development and subject to Council's service standards and broader distribution of surrounding assets, such as playgrounds.
- 3.23 Signing up to the Adelaide National Park City initiative will likely have a direct effect on planning policy particularly with respect to Open Space in the Public Realm and it is hoped that it will ensure small scale development is required to address Open Space considerations for the benefit of the wider community.
- 3.24 The Green Adelaide proposal to Council requested that Councils contribute \$10k for capture of heat mapping data. Council resolved that the CEO would make a submission to the LGA's Research and Development Committee seeking these funds for heat mapping across metro Adelaide.

- 3.25 The Research and Development fund is specifically setup to provide funding for projects that are of strategic benefit for local government as a whole. Due to the heat mapping project being specifically for Metropolitan Adelaide staff have received feedback that the project does not meet the funding criteria.
- 3.26 It is recommended that Council contribute \$10k to the 2021/22 urban heat and canopy cover mapping project as requested by Green Adelaide.

#### **4. CONCLUSION / PROPOSAL**

- 4.1 As Green Adelaide continues the journey to become recognised by the National Park City Foundation as a National Park City it is recommended that the City of Salisbury supports this effort through the signing of the National Park City Charter (which can be viewed at [www.adelaidenationalparkcity.org/charter](http://www.adelaidenationalparkcity.org/charter) ).
- 4.2 Whilst Council's livability and sustainability principles align with the National Park City Charter, as discussed above, the detailed policies and strategies have not been clearly articulated and staff will report back to Council once these are known to make sure they are consistent with Council's policies.
- 4.3 Council continue to work and partner with Green Adelaide and other partners to educate and engage our local community to Connect, Grow, Have a Go, Discover Kaurna Culture and Live/ Work/ Teach more thoughtfully.

#### **CO-ORDINATION**

Officer: EXECUTIVE GROUP  
Date: 13/09/2021

**Green Adelaide**  
**August 2021**  
**Prof Chris Daniels Chair**

## Acknowledgement of Country

We acknowledge and respect the native title holders and traditional owners of the Green Adelaide region – the **Kaurna Miyurna** (Kaurna people) – and pay homage to their ancestors who maintained the natural processes of the land we are on and whose spirits still dwell on **Yarta** (Country).

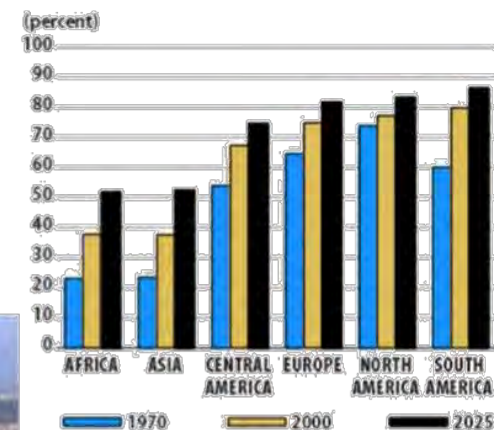

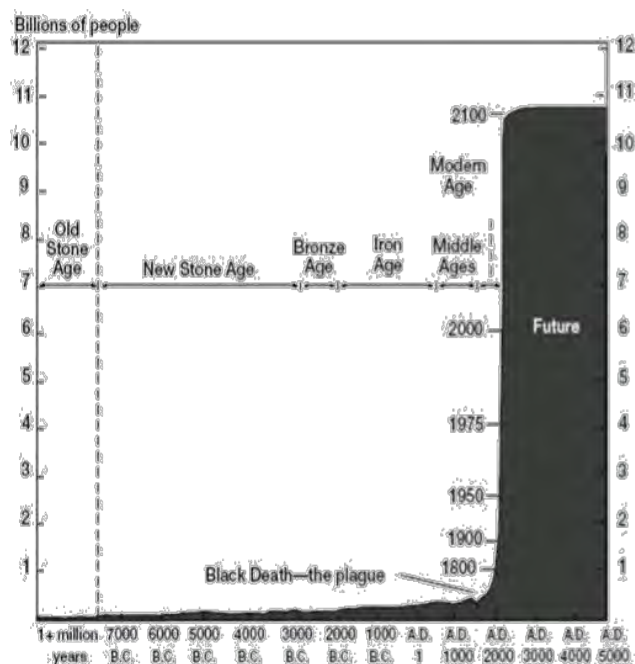

## Purpose of Green Adelaide

1. A case for change
2. Green Adelaide's Regional Landscape Plan and annual Business Plan: *partnership opportunities*
3. 7 Priorities
4. Example -- Greening our streets and backyards incl tree canopy mapping across metro-Adelaide:
5. How we operate-- *what does collaboration look like?*
6. National Park City's Vision, Charter and building an Alliance

# Population Growth

GREEN  
ADELAIDE

# BIOdiversity

The numbers and/or variety of life at a prescribed scale, measurable at numerous levels including genetic, species, and ecosystem, both within and between those levels

## BENEFITS OF BIODIVERSITY

- ✓ Biodiversity increases the stability of ecosystems.
- ✓ Biodiversity increases resilience of ecosystems providing them with more strength to recover/bounce back after something happens.
- ✓ Biodiversity benefits agriculture. More food=more option for growing food and providing for our growing population.
- ✓ Biodiversity provides an environment rich with medicines and related products.
- ✓ Biodiversity benefits the economy by generating money through tourism and recreation.

GREEN  
ADELAIDE

**Green Adelaide will deliver practical outcomes across seven key priorities**

**Coastal management**

We will help conserve and restore Adelaide's unique coastline to benefit our way of life, our economy and provide vital habitat for native plants and animals.

**Biodiversity and water sensitive urban design**

We will build industry and community capacity to design cooler, greener and nature-friendly developments and infrastructure.

**Fauna, flora and ecosystem health in the urban environment**

We will create more urban spaces for plants and animals to thrive in which in turn provides people a better quality of life.

**Water resources and wetlands**

We will protect, enhance and restore Adelaide's water resources (our rivers, wetlands and lakes) to help preserve these essential ecosystems and the wildlife that call them home.

**Controlling pest plants and animals**

We will help coordinate management of invasive pests to support an Adelaide that is rich with healthy biodiversity.

**Green streets and flourishing parklands**

We will increase tree canopy cover and green spaces to create cooler urban areas that encourage biodiversity and improve community health and wellbeing.

**Nature education**

We will grow nature and sustainability education in Adelaide to support children and adults to connect with the environment.

**GREEN  
ADELAIDE**

## Green Adelaide Regional Landscape Plan and annual Business Plan – iconic programs

**Greening our streets and backyards**

**National Park City**

**Rewilding our rivers and coastline**

**Igniting Culture**

**GREEN  
ADELAIDE**

## Understanding trees and heat

- The recapture and complete metropolitan extent of:
  - Thermal imagery to map urban heat
  - LiDAR to map canopy cover
  - Four-band multispectral imagery to map vegetation greenness
- Green Adelaide seeking to partner with all 18 councils within the project area, as well as key state government agencies

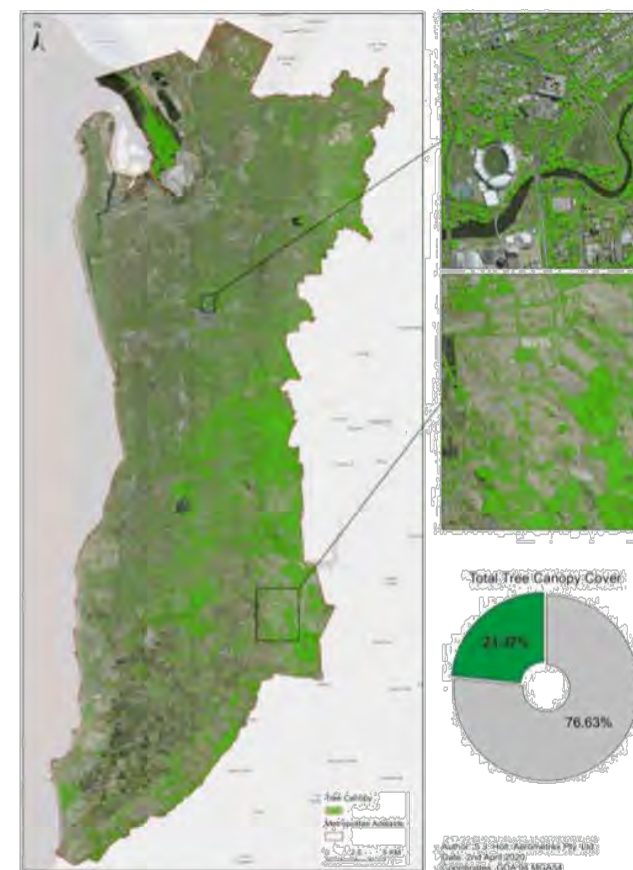

GREEN  
ADELAIDE

# Outcomes

- Form a monitoring baseline
- Establish a shared point of truth on which to detect trends
- Undertake further analysis to:
  - Maximise the impact of greening investments
  - Better understand the relationship between urban greening and urban heat, and how these factors impact health and behavior
  - Allow us to make informed operational decisions

GREEN  
ADELAIDE

## Keep the last vestiges of Green Space

- Pelican Point/mutton Cove
- Dry Creek
- Field River
- Aldinga Scrub
- Hills Face Zone

Opportunities

GREEN  
ADELAIDE

## Incorporate Green Infrastructure everywhere possible

- Redesign the available open space to incorporate environmental values- hard space can be green
- WSUD & BSUD

## Opportunities

GREEN  
ADELAIDE

## Street Trees, BSUD & WSUD

Opportunities

GREEN  
ADELAIDE

## Commercial properties have opportunities too!!

Opportunities

GREEN  
ADELAIDE

## Go green cleverly

- Redesign the available open space to incorporate biodiversity
- Front yards and planted open space
- PARTICULARLY (but not exclusively) TREES

Choose

- water absorbers
- climate controllers
- retain large trees

## Opportunities

GREEN  
ADELAIDE

## Clever planning and retro-fitting

- Urban Infill  
need open space/community gardens
- New Communities
  - open spaces with biodiversity
- Commercial Developments involve residents

Opportunities

GREEN  
ADELAIDE

## Multiple use of open space, including for water management

Why not also use:

Carparks

Golf courses

Schools

Cemeteries

Opportunities

## Re-wild rivers, wetlands and beaches

Opportunities

**GREEN  
ADELAIDE**

## Keep water in the landscape

Headwaters and wetlands need catchments

Rivers need overflow areas

Recharging aquifers (where appropriate!)

Opportunities

GREEN  
ADELAIDE

## Environmental solutions: managing animals

Opportunities

GREEN  
ADELAIDE

## Solutions: Start having the Right Discussion

- 1: Start proper development plans now
- 2: Plan a region for multiple use

Opportunities

GREEN  
ADELAIDE

## Future Solutions: A National Parks City

- What is needed??
- All these topics and more.....
- What does a National Park City mean to you?
