HEADING

Tree Removal Requests - Monthly Update for November and December 2021

AUTHOR

Jamie Hosking, Team Leader Urban Built Assets, City Infrastructure

CITY PLAN LINKS

- 1.1 Our City is attractive and well maintained
- 4.1 Members of our community receive an exceptional experience when interacting with Council

SUMMARY

This monthly report provides Elected Members with updates on tree removal requests received from residents.

RECOMMENDATION

That Council:

- 1. Notes the report.

ATTACHMENTS

This document should be read in conjunction with the following attachments:

- 1. Tree Removal Requests - November 2021
- 2. Tree Removal Requests - December 2021

1. BACKGROUND

- 1.1 At its meeting held on Tuesday, 27 April 2021 Council resolved that:

“That a standing report be established for every meeting of the Tree Management Appeals Sub Committee to inform Council of every application received for tree removal and the outcome of that request.”

Resolution Number 0916/2021

- 1.2 Staff currently upload a monthly tree removal request information table to the Elected Members Portal. This document has been adapted to provide further information and will now be reported to each meeting of the Tree Management Appeals Sub Committee.

2. CONSULTATION / COMMUNICATION

- 2.1 Internal
 - 2.1.1 City Infrastructure Staff
- 2.2 External
 - 2.2.1 Various relevant Residents

3. REPORT

- 3.1 The attached tables are a summary of requests for tree removals received and actioned by staff during the past months and has been provided on the Elected Member Portal for November and December 2021.
- 3.2 82 tree removal requests were received in November. Of these requests 69 were approved for removal including 12 significant or regulated trees approved through development applications. 13 requests were refused, of these, 2 are related to significant or regulated trees under the *Planning Development and Infrastructure Act 2016*.
- 3.3 47 tree removal requests were received in December. Of these requests 35 were approved for removal including 4 significant or regulated trees approved through development applications. 12 requests were refused, of these, 5 are related to significant or regulated trees under the *Planning Development and Infrastructure Act 2016*.
- 3.4 Tree removal requests often result in ongoing dialogue between the owner of the property and Council on the proposed tree removal and subsequent discussions around the species type and location of the new street tree.
- 3.5 It is important to note that through various annual programs Council plants 2,000 trees each year. These programs include Street Tree Renewal Program, In-fill Planting Program, Tree Screen Renewal Program, Reserve Upgrade Program, Feature Landscape Renewal Program, Greening Program, School Tree Planting Program, Major Projects and ad-hoc planting requests.

4. CONCLUSION / PROPOSAL

- 4.1 It is proposed that the information contained in the attachment be noted.
