All GAROC Regional Grouping Mayors

Via email to all GAROC Regional Grouping Mayors and Chief Executive Officers

Dear Mayors and Chief Executive Officers

Consultation – draft GAROC 2023-24 Annual Business Plan

Metropolitan councils play an essential role in the long-term prosperity, sustainability and wellbeing of the Greater Adelaide community. The Greater Adelaide Regional Organisation of Councils (GAROC), a committee of the Local Government Association of SA (LGA), represents these councils and provides an important regional lens on key issues for the sector.

GAROC operates within the strategic framework of the LGA and has prepared a draft 2023-24 Annual Business Plan (ABP) to guide activities for the next financial year.

In drafting this ABP, it is clear there are too many objectives and actions requested of the LGA Secretariat and resources are now spread too thin. Many of the actions within the draft ABP are based on previous decisions of General Meetings, LGA Board or GAROC and all with the best of intentions.

While the broader role of GAROC will be considered as part of the LGA Constitution Review, we are currently required to prepare an ABP and consult with member councils by June. The challenge for GAROC now is to refine the objectives and activities further. To inform and assist with this process we now seek councils' input into the draft ABP. While meeting our member consultation requirements, critically this will support the GAROC committee to refine the final document and ensure a focussed ABP will deliver real outcomes for the sector.

We therefore now invite and look forward to your input and feedback on the priorities, objectives and actions proposed to be included in the ABP.

The following three higher level priorities have been identified to help guide the activities and actions of GAROC in 2023-24:

1. Climate Change and circular economy – including urban heat, tree management and canopy, waste management and circular economy.
2. Urban Planning – including the Thirty-Year Plan for Greater Adelaide.
3. Liveability – community leadership – including infill and dense housing impacts, safety and housing affordability.

While the LGA Secretariat is not resourced to undertake all the actions and resolve all the issues within these priorities, assistance with prioritising will ensure we can undertake advocacy, leadership, policy initiation and review on behalf of LGA member councils and their communities.

In addition, GAROC aims to engage with and build the capacity of metropolitan councils as part of the LGA's Membership Proposition and Communications Strategy and is discussing various opportunities to support this in the sector.

GAROC is keen to hear from members on the objectives and actions that are of the highest priority and would most support members to achieve their own strategic objectives or add the most value to councils and their communities.

We welcome your feedback in both ranking objectives and actions, and you may also like to provide additional commentary including on what you think is not there but should be.

Consultation process and timeline

A Consultation document summarising the objectives and actions is attached for your response.

Please provide your response by **5:00pm, Friday 23 June 2023** to the LGA Secretariat via Jenny McFeat (jenny.mcfeat@lga.sa.gov.au).

GAROC will consider feedback received and a final draft of the revised ABP at its meeting on 3 July 2023.

There will be multiple opportunities for councils to have input into the review of the LGA Constitution and ancillary documents, and further information will be sent to councils once that separate project scope has been finalised and consultant engaged. The ABP is a requirement of the current governance framework for GAROC and your input at this time is appreciated.

As GAROC considers its activities for the next financial year, it is important that we have a strong, united voice for metropolitan councils and represent your shared interests within the sector, your input is therefore invaluable. Following consultation with member councils, GAROC will resolve a focussed, achievable agenda and ensure that sufficient resources are available to achieve quality, timely outcomes on the selected priorities.

On behalf of the GAROC committee, I would like to thank you in advance for engaging with GAROC as we prepare for work throughout the year ahead.

Kind regards

Mayor Dr Heather Holmes-Ross

Draft GAROC Annual Business Plan 2023-24

The voice of local government.

Draft

Introduction

The object of the Local Government Association (LGA) is to achieve public value through the promotion and advancement of the interests of local government by:

1. Advocating to achieve greater influence for local government in matters affecting councils and communities.
2. Assisting member councils to build capacity and increase sustainability through integrated and coordinated local government.
3. Advancing local government through best practice and continuous improvement.

The Greater Adelaide Regional Organisation of Councils (GAROC) is established as a committee of the LGA and is responsible to the LGA for the discharge of its functions. GAROC is a strong, united voice for metropolitan councils and represents their shared interests for the benefit of the Greater Adelaide community.

GAROC supports the LGA Board of Directors to provide advocacy, policy initiation and review, leadership, engagement and capacity building for the benefit of metropolitan South Australian councils and their communities.

The role of GAROC is to provide a forum for regional advocacy, develop policy consideration for the sector and provide strategic advice to the LGA Board, leadership, engagement and capacity building for councils in the GAROC region. The GAROC region is the combined local government area of each LGA Member listed in Appendix 1 and the City of Adelaide.

The table below summarises these roles, which will drive its strategic objectives and underpin achievement of its purpose, consistent with the LGA Strategic Management Framework.

Role	GAROC will:
Regional Advocacy	Represent members' interests on issues that matter to all metropolitan councils to the LGA, State and Federal Government and with key stakeholders.
Policy Initiation and Review	Consider policy that is of strategic importance to all metropolitan councils. Review items of business put forward by member councils and advise on policy matters as requested by the LGA.
Leadership	Initiate actions and lead activities that provide benefit to all metropolitan councils. Develop and maintain relationships with state and federal governments.
Engagement and Capacity Building in the Region(s)	Engage with members within the GAROC Regional Grouping and keep them informed of the activities of GAROC. Actively promote communication between members, and between members and the LGA.

GAROC Guiding principles:

GAROC has developed the following guiding principles to operate under, we will:

1. Be community centred and put people first in our decision making.
2. Prioritise and address issues that are common across the metropolitan region.
3. Carefully consider items of business from any member in the metropolitan area for consideration by the LGA Board of Directors or at a General Meeting.
4. Collaborate closely with the LGA and South Australian Regional Organisation of Councils (SAROC).
5. Be nimble, agile and responsive to the needs of metropolitan councils.

Our stakeholders & partners

GAROC recognises that to be successful and deliver value for metropolitan councils on behalf of the LGA Board we, and the LGA Secretariat on our behalf, need to work in close collaboration and engagement with our key stakeholders and partners including:

- Metropolitan councils
- SAROC Committee
- State Government and its agencies
- Federal Government and its agencies
- Members of Parliament
- Other peak bodies, associations and statutory authorities

As a committee of the LGA, GAROC operates within the LGA Strategic Plan 2021-2025 and prepares an annual plan within that framework. GAROC supports the LGA to 'advocate, assist and advance' the interests of local government.

GAROC Budget

To support the delivery of its Annual Business Plan (ABP), GAROC and SAROC each receive an allocation of \$100,000 from the Local Government Research and Development Scheme. GAROC also receives an additional allocation of \$40,000 in lieu of the funding allocation made to Regional LGAs to enable the delivery of capacity building activities via regional groupings of councils.

The budget/resources allocated to items within the GAROC ABP indicate whether it is a carryover from a previous resolution of GAROC (project underway) or whether it will be approved with the adoption of this ABP.

2023-24 Strategic themes and objectives

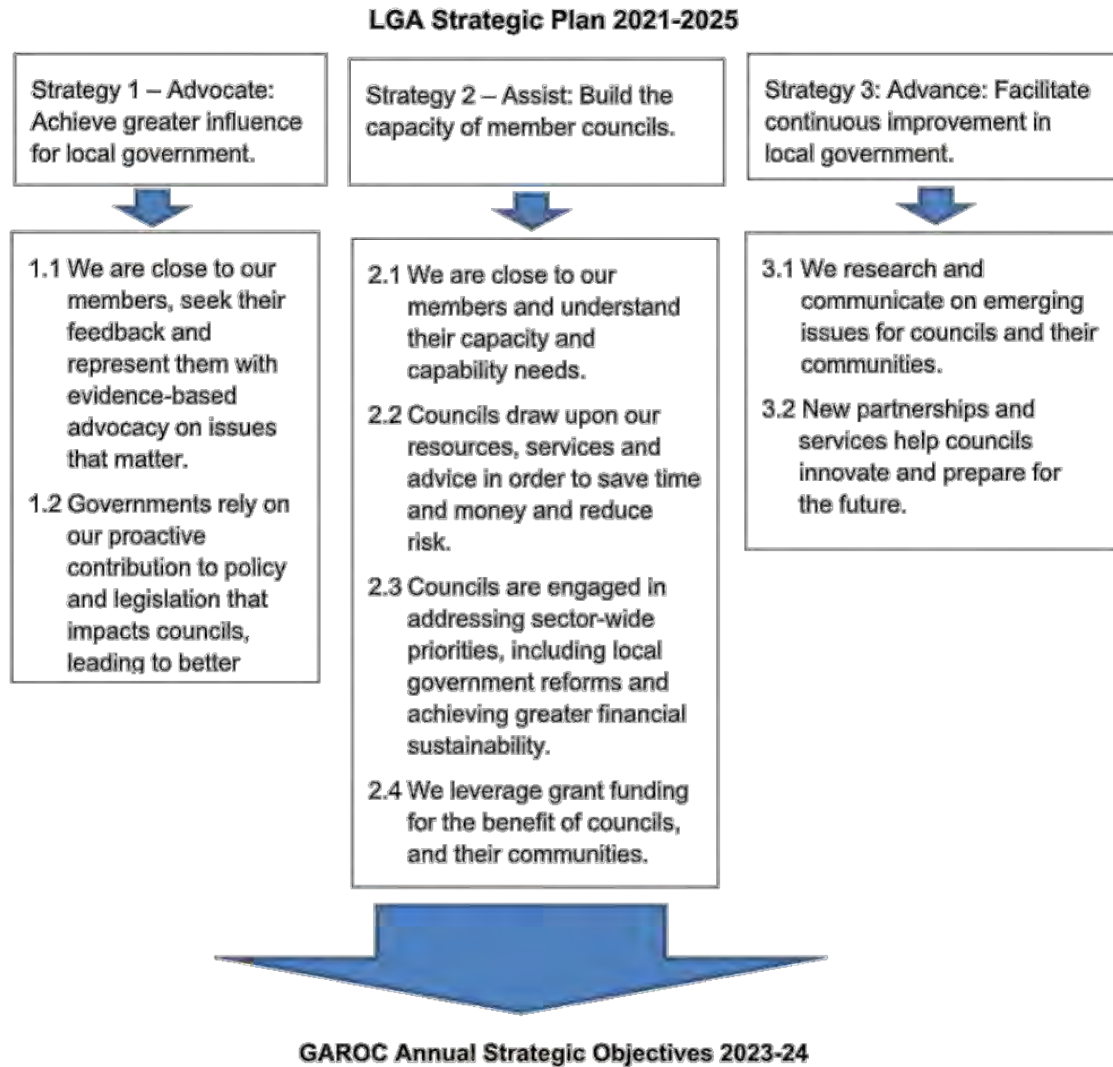

In accordance with the LGA Constitution and its terms of reference, GAROC will fulfil its functions in a manner consistent with the 'LGA Strategic Management Framework'. The GAROC annual plan has therefore been developed linking the LGA's strategic objectives outlined in the [LGA Strategic Plan 2021-2025](#), objectives/initiatives identified through the LGA Advocacy Plan and Policy Manual, and annual planning input from GAROC members, and consultation with member councils.

These priorities will help guide the activities and actions GAROC in 2023-24.

The engagement activities which may be coordinated through GAROC (e.g. workshops, networking, leadership forums) are consistent with the [LGA Communications Strategy 2021-2024](#).

REPORTS FROM COUNCIL REPRESENTATIVES

QUESTIONS ON NOTICE

QON1 Question on Notice: Globe Derby Flooding

Cr Beau Brug has submitted the following Question on Notice:

Since the recent flooding in Globe Derby Park, what actions has Council taken to date and which further actions will be taken to improve the drainage and flooding issues.

General Manager City Infrastructure, Mr John Devine has provided the following response:

Following the flooding event in May 2022 Council undertook rectification works including the establishment of an embankment and the installation two flood gates to mitigate the risk of future flooding.

Following those works, Administration investigations resulted in further mitigation strategies being developed that include the design and installation of flood/tidal gates approximately 2.2 km upstream of the estuary, east of Port Wakefield Road to prevent tidal flows and flood waters from moving back up through the drainage system and flooding Globe Derby.

In March 2023 Administration submitted a funding application through the Disaster Ready Fund Program under the Australian Government's National Emergency Management Agency for a 50% funding grant for structural and non-structural works identified in the mitigation strategy and are awaiting the outcome of that application.

QON2 Question on Notice: St Kilda Mangroves

Cr Beau Brug submitted the following Question on Notice:

What is the current health status of the St Kilda Mangroves and what works are being undertaken in relation to the Mangroves?

General Manager City Infrastructure, Mr John Devine provided the following response:

The St Kilda mangroves have not seen any further significant loss at this point in time.

The mangroves further away from the salt pans suffered only little or no impact and these appear to be stable in health with most having flowered through the summer months.

The area closer to the salt pans was impacted more by high salinity water from the salt pan with areas of the forest showing no signs of regeneration. Investigation on site has noted that there a good number of juvenile trees occurring within this site as well as the summer providing a good number of propagules which also have been observed on site.

It is anticipated that the juvenile mangroves or propagules that have or will establish, may become stunted when they encounter this highly saline profile in the soil.

Monitoring of water depth and salinity continues to be monitored, particularly as winter approaches to see if the natural filling of the salt pan has any further impact on the mangrove forest.

MOTIONS ON NOTICE

MON1 Motion on Notice: Bridge Road and Nelson Road

Cr Lauren Brug has submitted the following Motion on Notice:

That Council:

1. Requests the Mayor to write to the Minister for Infrastructure and Transport to seek an upgrade of Bridge Road and seek the Department take ownership of Nelson Road.

ADMINISTRATION COMMENT:

The southern portion of Nelson Road (from Montague Road to Grand Junction Road) is currently under the care and control of the Department for Transport and Infrastructure (DIT).

DIT is currently undertaking a traffic management study of Nelson Road as part of the Labour Government's election commitments.

Should this motion be carried, a letter will be written to the Minister for Infrastructure and Transport.

MON2 Motion on Notice: Ingle Farm Recreation Centre

Cr L Brug has submitted the following Motion on Notice:

That Council:

1. Notes the recent Confidential report presented to Council on 24 April 2023 on the Ingle Farm Recreation Centre
2. Requests the Administration to negotiate with the new Centre Manager, within the first 8 – 12 months of contract, to provide a report outlining potential 'quick win' capital improvements to the Ingle Farm Recreation Centre that enhances the customer experience, and that the Administration work with the new Centre Manager to prioritise these and report back to Council in due course.

ADMINISTRATION COMMENT:

The Administration will seek to negotiate with the new Centre Manager of the Ingle Farm Recreation Centre to identify 'quick win' capital improvements that would improve the customer experience at the Ingle Farm Recreation Centre. The timeframe of 8 – 12 months acknowledges the seasonal approach to programming in indoor recreation centres and the need to provide time to consider the full cross section of users and programs. The Administration report will focus on minor capital improvements only, based on user experience. Further steps will be subject to the new Centre Manager's agreement as part of the contract negotiation.
