One Card Network - Frequently Asked Questions

www.salisburylibrary.sa.gov.au/onecardnetwork

Q. Will all libraries on the new network offer the same services as each other?

A. As libraries are committed to meeting the particular needs of their local communities, some libraries may continue to offer different services that complement core library services (e.g. certain online resources). Check with the relevant library to find out what's available to you.

Q. Will lending periods and overdue policies be the same for all libraries on the new network?

A. No. Although participating libraries will have many similar policies, there may be variation in some areas. Lending periods and overdue policies for a particular item you borrow will depend on which library issues you that item. Be sure to read all accompanying receipts that outline due dates.

Visit www.libraries.sa.gov.au/goto/onecard for more information about the 'one card' network, including participating libraries.
